(1) 2 1/2" x WOF;

Border 1/4 Yard

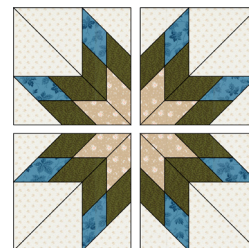

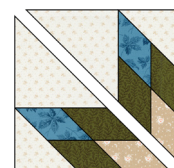

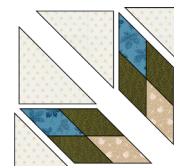

(3) 3" x WOF; Sub cut (2) 3" x 19 1/2" top/bottom and (2) 3" x 24 1/2" sides.

Creating Diamonds

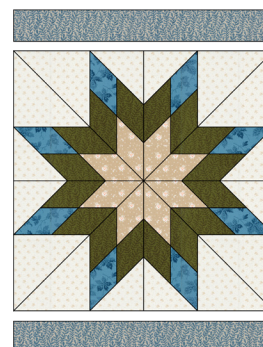

- Sew the A & B strips together on the long edge. Refer back to the video for complete instructions.
- Repeat for the A & C strips. Press opposite of A/B strip.
- Cut (8) Diamonds from each strip 2 1/2" wide.
- Sew 2 patch diamonds into a 4 patch diamond matching center.

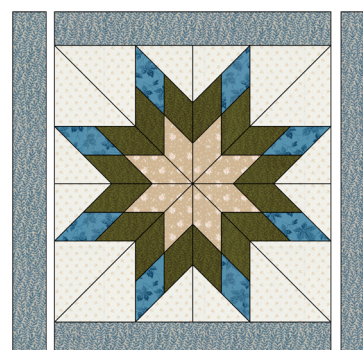

- Arrange diamonds into two piles of 4. One pile is a mirror of the other.
- Place a D and E triangle on each side of the diamonds according to the diagram.
- Sew triangles to diamond starting with the smaller E triangle.
- Sew the two halves together to form a square. (4 times)
- Arrange the squares into a block.

- Sew the top and bottom blocks together.
- Sew the 2 halves together.

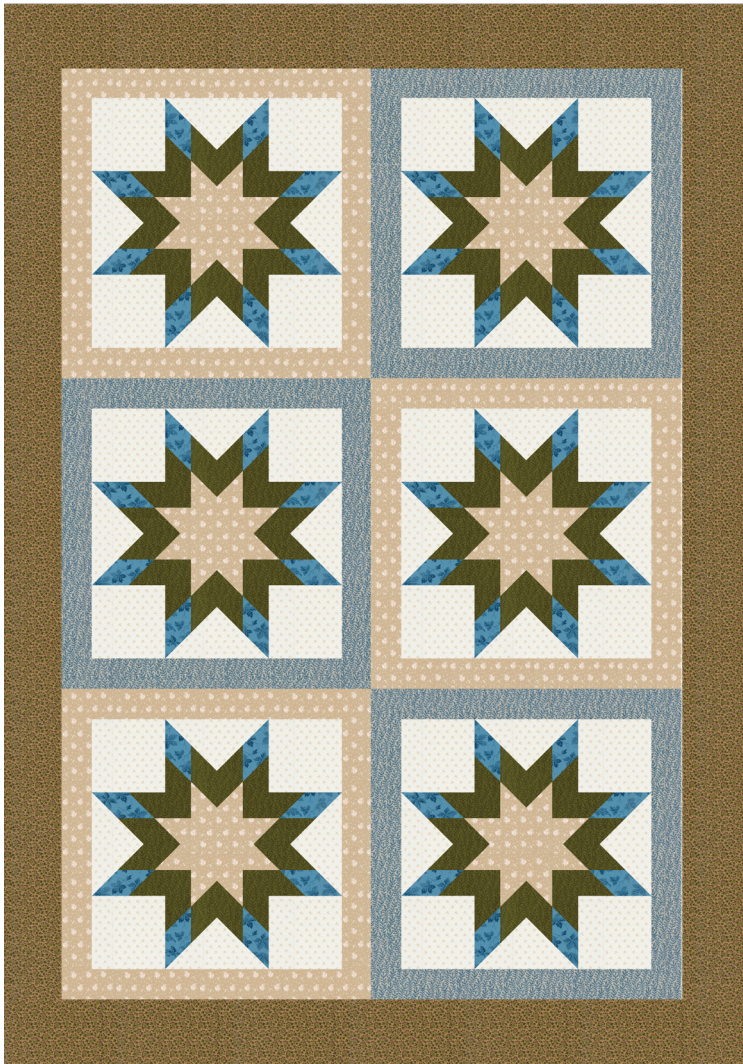

- Sew on the top and bottom border.
- Measure block and cut side borders from the remaining of the strips.

- Trim block to 24 1/2".

Lone Star Block

5" borders and alternating color on the border blocks.

5" borders and border on the blocks is the same color as the background.
