

Offset Sun Block

8", 9" 10" & 12" FPP Block

Offset Sun Block

10" & 12" Block

8" & 9" Block

10" & 12" Block			
Color	Qty	Size 10"	Size 12"
A	1	3" x WOF	3 ½" x WOF
B	1	3" x WOF	3 ½" x WOF
C	1	3" x WOF	3 ½" x WOF
D	1	3" x WOF	3 ½" x WOF
Circle	1	6" sq	6 ½" sq

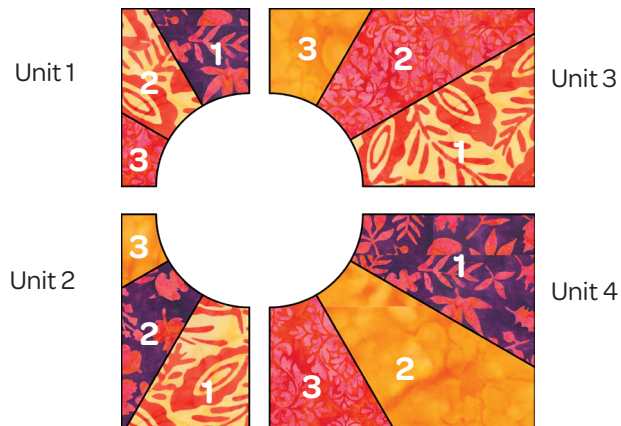

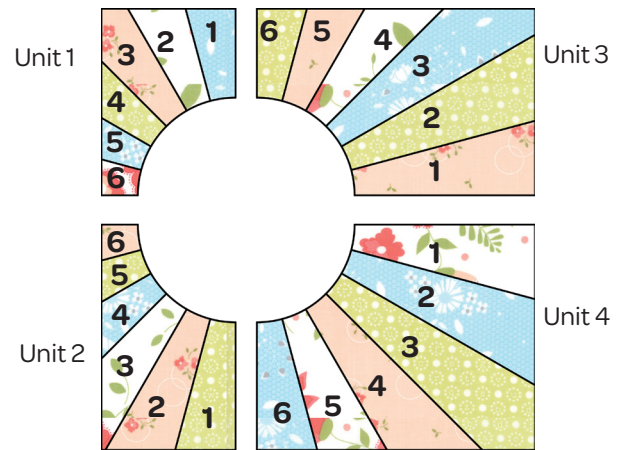

Yardage

1/8 yard of (4) different colors
Scrap for center

* All seams are 1/4".

Cutting Chart

8" & 9" Block			
Color	Qty	Size 8"	Size 9"
A	1	4" x 22"	4 ½" x 22"
B	1	4" x 22"	4 ½" x 22"
C	1	4" x 22"	4 ½" x 22"
D	1	4" x 22"	4 ½" x 22"
Circle	1	5" sq	5 ½" sq

General Instructions

The easiest way I found to piece this was to use strips. You can choose to use individual cut strips by measuring the section and adding an inch. I have taken the widest section needed to cut the strips.

1. Cut your strip in half to create two long strips of the same color.
2. Label the strips A, B, etc so that you know which one to use.
3. Layout your units into the block and start labeling the sections A, B, C & D in order.
4. Use the corresponding strip letter to sew on to each section.

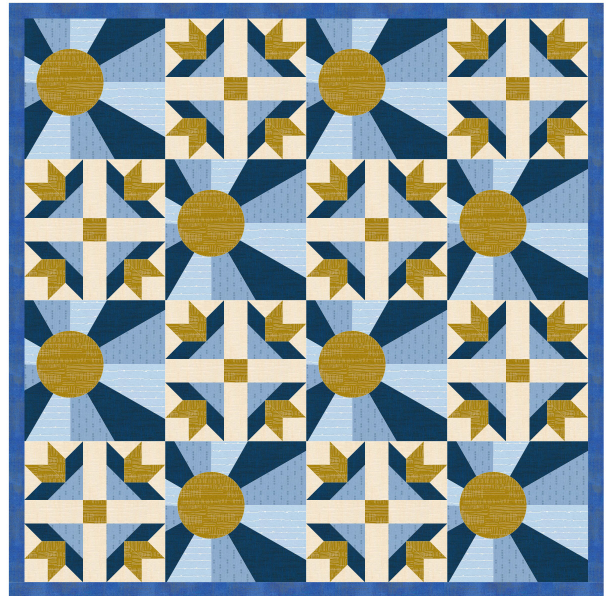

Offset Sun Block

Paper Piecing Instructions

1. Print 1 copy of the foundation patterns for the size you are making.
2. Decide on your fabric colors and label each section on the pattern according to your fabric choice.
3. Cut fabric according to cutting chart and layout on your table space in the order you will sew the fabric to the foundation papers.
4. Sew the foundation papers starting with section 1. Use the glue stick to glue the wrong side of the fabric to the paper on the back side covering the seam allowance around section 1.
5. Fold back the paper using a piece of cardboard or thin plastic along the line between section 1 and 2.
6. Trim the fabric by laying the Add-A-Quarter ruler along the folded paper and trimming.
7. Lay your section 2 fabric under the section 1 fabric with right sides together along the seam allowance you trimmed in the previous step.
8. Fold the paper flat and sew on the bold line between section 1 and 2.
9. Iron the sewn section open.
10. Continue with the next section by repeating steps of folding the paper for the next section, trimming to a 1/4" and then sewing on the line.
11. After the paper pattern is complete, iron flat and trim on the outside line. Remove paper.

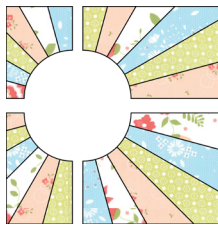

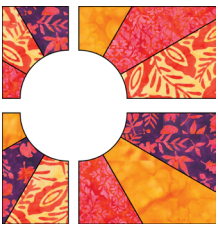

3. Sew the two halves together.
4. Applique the circle to the center of the block using your preferred applique method. See YouTube video for instructions on how to use interfacing to create the circle.
5. Trim block to 8 1/2", 9 1/2", 10 1/2" or 12 1/2" depending on the size you made.

Quilt Examples

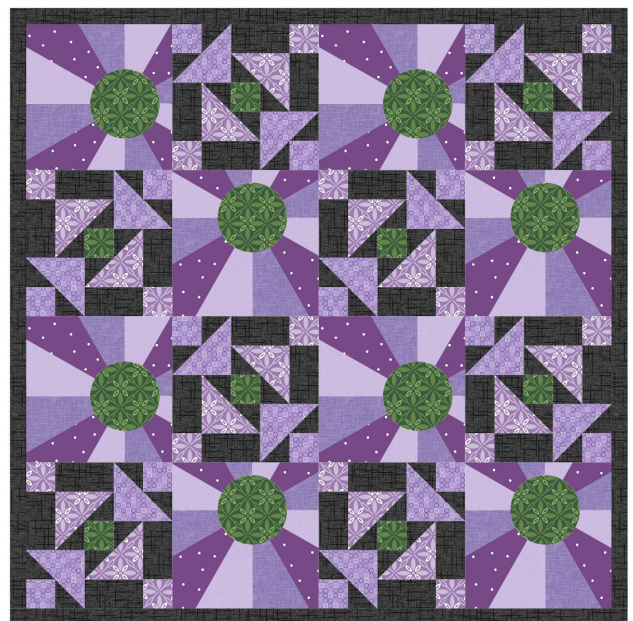

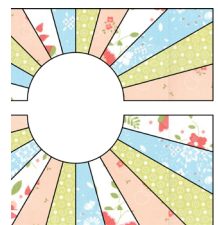

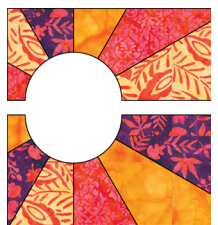

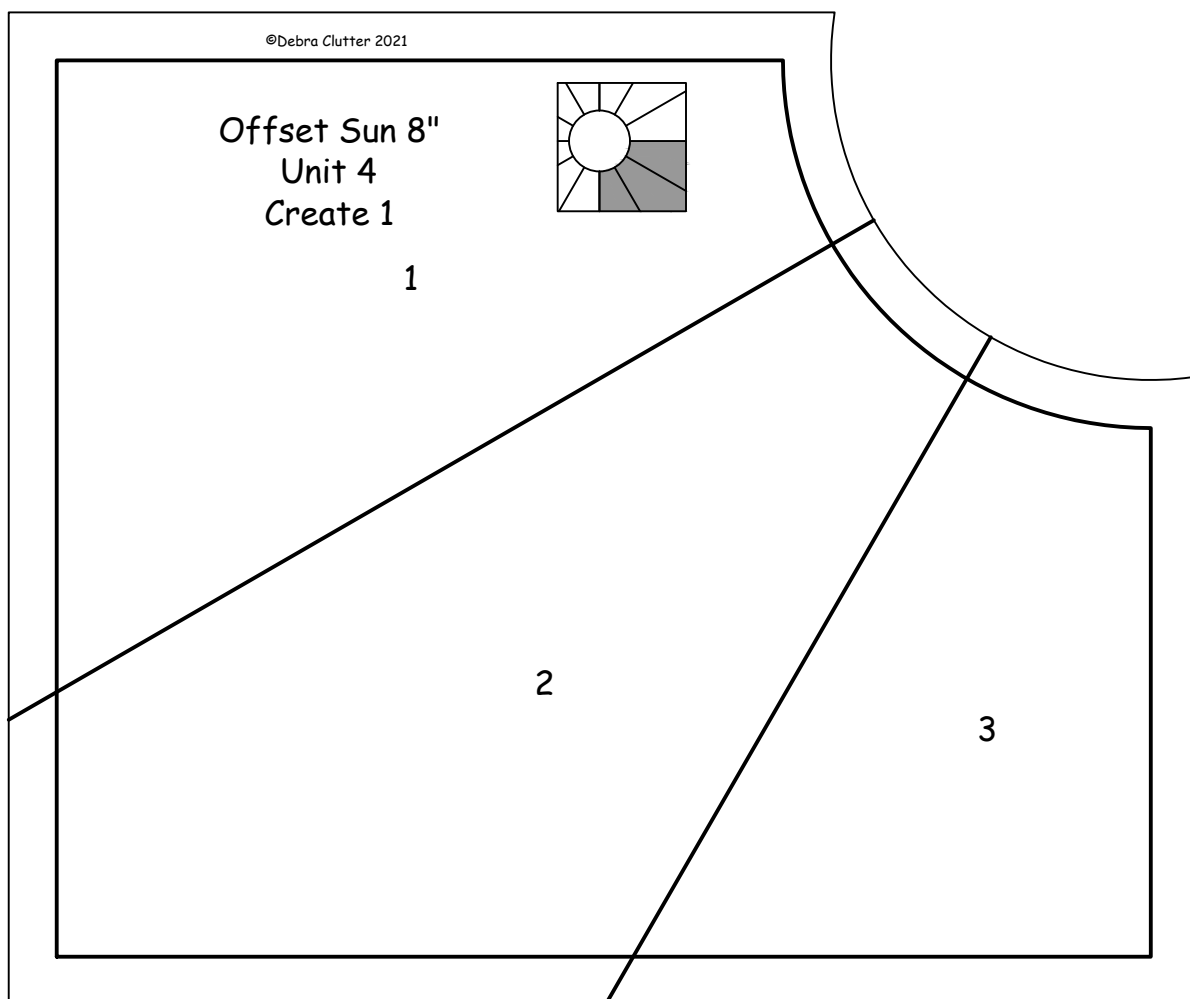

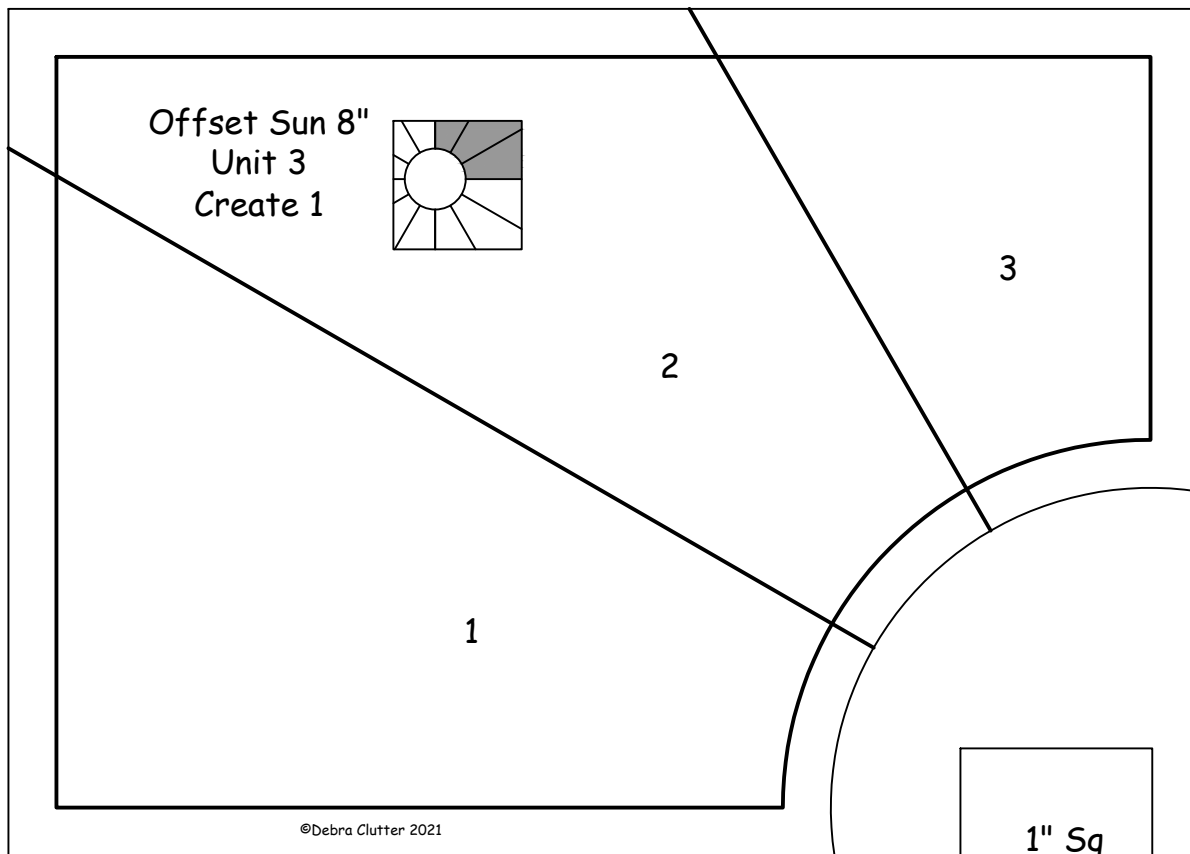

Assembly

1. Layout units according to the diagram.

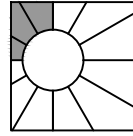

2. Sew top and row together, then the bottom row.
