## Cutting For 16" Block:

**Background Fabric** 1 Fat Quarter

J - (4) 4 1/2" sq

G - (4) 2 1/2" x 4 1/2"

F - (1) 5 3/4" sq

H - (2) 2" x WOF strips

**Red Fabric** 1 Fat Eighth

C - (4) 2 1/2" x 4 1/2"

D - (1) 2" x WOF strips

**Gray Floral Fabric** 1 Fat Eighth

A - (1) 4 1/2" sq

B - (1) 2" x WOF strips

**Green Fabric** 1 Fat Eighth

E - (4) 3 1/4" sq

## Cutting For 24" Block

**Background Fabric** 1/2 Yard

J - (4) 6 1/2" sq

G - (4) 3 1/2" x 6 1/2"

F - (1) 7 3/4" sq

H - (2) 3" x WOF strips

**Red Fabric** 1 Fat Quarter

C - (4) 3 1/2" x 6 1/2"

D - (1) 3" x WOF strips

**Gray Floral Fabric** 1 Fat Quarter

A - (1) 6 1/2" sq

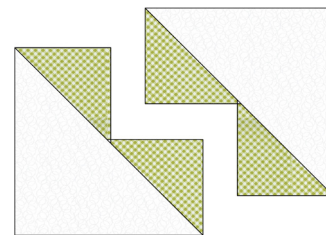

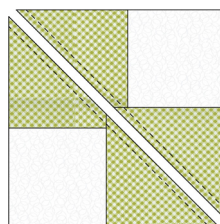

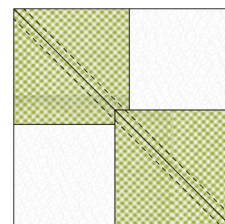

B - (1) 3" x WOF strips

**Green Fabric** 1 Fat Eighth

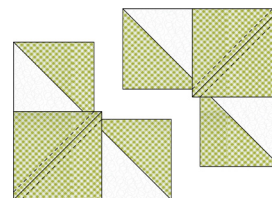

E - (4) 4 1/4" sq

## Four At A Time Flying Geese

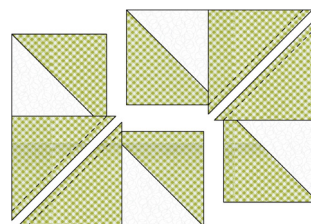

1. Place a (E) square with right sides together on the (F) square in the opposite diagonal corners.
2. Draw a line diagonally according to diagram.
3. Stitch a 1/4" from each side of the line.
4. Cut apart on the line between the stitching.
5. Press seams towards the smaller triangles.

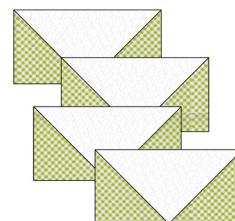

6. Place the remaining (E) squares in the corner of the large triangles right sides together.
7. Draw a line diagonally on the back of the (E) square according to diagram.

8. Sew a 1/4" from the line on both sides of the line.
9. Cut apart on the line.

10. Press seam towards the smaller triangle.
11. Trim flying geese to 2 1/2" x 4 1/2" for the 16" block and 6 1/2" x 3 1/2" for the 24" block

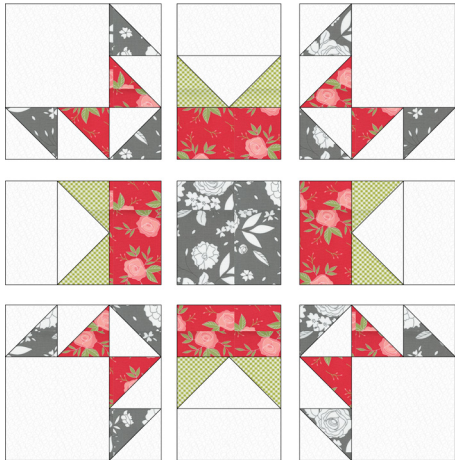

# Stockyard Star Block

## Strip Tube Ruler HST

1. Sew an (H) and (B) strip with right sides together on both sides of the length of the strip.
2. Repeat for an (H) and (D) strip.
3. Use the strip tube ruler; line up the 2 ½" line for a 16" block or the 3 ½" line for a 24" block, on the stitching along one side of the tube.
4. Cut the tube into a triangle with the tip of the ruler.
5. Rotate the tube and cut a triangle from the other side.
6. You need (8) HST for the (D) & (H) strip and (12) HST for the (B) & (H) strip.
7. Press seams open.

1. Sew the units together referring to the diagram on page 1.
2. Arrange units according to diagram below.

3. Starting at the top, sew units into rows.
4. Sew the rows together to finish the block.
5. Blocks should measure 16 ½" or 24 ½" depending on the size you have made.

Here is an example of a simple quilt arrangement.
